

Sinclair's plans to air the anti-Kerry documentary "Stolen Honor: Wounds That Never Heal" shortly before the election is a clear attempt to swing the election towards Bush.

By refusing to air a pro-Kerry or anti-Bush film as well, the Sinclair stations will clearly be violating federal election law.

Please see that the Sinclair stations do not air "Stolen Honor: Wounds That Never Heal", or at a minimum allow a pro-Kerry movie to air in a prime time slot within a day or two of the anti-Kerry movie. Thank you.
